About Investor Relations Awards
(IR Awards)

The HKIRA Investor Relations Awards (the "IR Awards") is an annual campaign that aims to encourage, recognize and reward the excellence in investor relations practices by individuals and companies listed in Hong Kong Stock Exchange. Since the launch in 2015, each year the Awards seeks out and highlights the incredible achievements of individuals and companies with high standards in investor relations through their role modeling to the investment community.

The Awards ceremony, consisting of a conference in the morning and presentation in the afternoon, is a spectacular gathering of IR specialists and industry professionals that applauds and publicizes the year's achievements in investor relations.

How are the Awards selected

1 NOMINATION

The Awards is open to public for nominations whose achievements deserve to be honoured and have demonstrated the best IR practices for others to learn from.

2 ONLINE VOTING

After confirmation of the nominee's participation, the nominated individuals and companies enter into an online survey. Domestic and international investment community including buy side and sell side analysts, and fund managers are eligible to participate in the online survey and vote on their choices of the Awards. Voters are expected to cast their top 3 choices for each award category.

3 SELECTION BY JUDGING PANEL

Top award finalists in each of the award categories will enter into the selection process for the Most Progress in IR and the Overall Best IR Company Awards, while the top finalists of the Best ESG (E), Best ESG (S) and Best ESG (G) Awards will enter into the selection process for the Grand ESG Award. Very Peri

"Very Peri" is a hybrid-mix of ocean blue and cinnamon red – mimics of both "calming" and "cheerful"; EDICO especially resonates with "Very Peri" to mirror the colour of Lavender. Lavender is not just a flower, but a synthesis of multi-functionality: perfume & fragrance, essence oil, and pharmaceutical ingredient. Along the same line, EDICO, a multi-functional financial press service provider, yet a very engaged organisation with an environmental friendly mind set as well as embracing our community-care activities regularly. Thus, we particularly dedicate ourselves to Immerse "Very Peri" ESG Theme for the year of 2020-2021.
