ABOUT THE AWARDS

Hong Kong Investor Relations Association (“HKIRA”) is committed to promoting excellence in investor relations (“IR”) practices and advocating the setting of international standards in IR for the companies listed on the Hong Kong Stock Exchange.

To achieve this goal, HKIRA launched the 1st Investor Relations Awards (the “Awards”) in 2015. The HKIRA 2nd IR Awards continues to focus on recognizing and honoring excellence and best practices in investor relations among Hong Kong listed companies and the local IR professionals their excellence and achievements in investor relations.

How the Awards are Selected

1. Nomination

● The Awards are open to public for nominations whose achievements deserve to be honored and have demonstrated the best IR practices for others to learn from.

2. Online Voting

● After confirmation of the nominee's participation, the nominated individuals and companies enter into the online survey. Domestic and international buy-side and sell-side analysts, and fund managers participate in the online survey and vote on their choices of the Awards. Voters are expected to cast their top 3 choices for each award category. Nominees with the highest votes (weighted) become the award winners.

3. Selection by the Judging Panel

● Top award winners in each of the award category enter into the final selection process for the Overall Best IR Awards.
