# *About Investor Relations Awards*

## *(IR Awards)*

The HKIRA Investor Relations Awards (the “IR Awards”) is an annual campaign that aims to encourage, recognize and reward the excellence in investor relations practices by individuals and companies listed in Hong Kong Stock Exchange.

Since its launch in 2015, each year the Awards seeks out and highlights the incredible achievements of individuals and companies with high standards in investor relations through their role modeling to the investment community.

The Awards ceremony, consisting of a conference and presentation in the afternoon, is a spectacular gathering of IR specialists and industry professionals that applauds and publicizes the year’s achievements in investor relations.

## *How are the Awards selected*

### **NOMINATION**

1

The Awards are open to public for nominations whose achievements deserve to be honored and have demonstrated the best IR practices for others to learn from.
