# About Investor Relations Awards

(IR Awards)

The HKIRA Investor Relations Awards (the “IR Awards”) is an annual campaign that aims to encourage, recognize and reward the excellence in investor relations practices by individuals and companies listed in Hong Kong Stock Exchange. Since the launch in 2015, each year the Awards seeks out and highlights the incredible achievements of individuals and companies with high standards in investor relations through their role modeling to the investment community.

The Awards ceremony, consisting of a conference in the morning and award presentation in the afternoon, is a spectacular gathering of IR specialists and industry professionals that applauds and publicizes the year’s achievements in investor relations.

## How are the Awards selected

### ➤ 1 NOMINATION

The Awards is open to public for nominations whose achievements deserve to be honoured and have demonstrated the best IR practices for others to learn from.

### ➤ 2 ONLINE VOTING

After confirmation of the nominee’s participation, the nominated individuals and companies enter into an online survey. Domestic and international investment community including buy side and sell side analysts, and fund managers are eligible to participate in the online survey and vote on their choices of the Awards. Voters are expected to cast their top 3 choices for each award category.

### ➤ 3 SELECTION BY JUDGING PANEL

Top award finalists in each of the award categories will enter into the selection process for the Overall Best IR Company Awards while the top finalists of the Best ESG (E), Best ESG (S) and Best ESG (G) Awards will enter into the selection process for the Grand ESG Award. The Judging Panel will select companies to receive the awards for IR Dedicated Company and Most Progress in IR based on the judging criterion. Members of the Judging Panel for the HKIRA Investor Relations Awards have been carefully selected among esteemed professionals to ensure a fair and balanced evaluation and selection of award winners.
