CHAIRMAN'S STATEMENT

Dear Fellows & Members

Looking back on 2020, the year is considered to be one of the most extraordinary years in living memory — a year of challenges and changes with profound impacts on the way we live and work. Facing the unprecedented crisis of COVID-19, HKIRA has demonstrated resilience, continued to provide high-quality services to our honorable members. With ever-increasing recognition in the IR profession and investment community, HKIRA is proud to share the good news that, over 1000 members joined our association as at the end of 2020.

The sudden emergence of Covid-19 has changed the practice of Investor Relations dramatically. The pandemic is affecting different countries and communities at different times and to different extents. As a global profession dependent on building and maintaining relationships and attracting investment from around the world, Investor Relations will have to cope with the impact for some time to come. In August 2020, the IR Panel of HKIRA published a Guidance Note “Investor Relations Practice Post Covid-19” to help provide Investor Relations professionals in Hong Kong with useful ideas and the starting point for further conversations and actions to improve the efficiency and effectiveness of our roles through this difficult time.

Our flagship event “HKIRA IR Awards” was now in its sixth consecutive year, due to the COVID-19 pandemic, the 6th IR Awards Conference, as well as the Awards Presentation Ceremony was held online on 23rd September 2020 for the first time, where experts and professionals were invited to conduct discussions with regard to strategies, leading changes, effective processes and best practices of investor relations from different perspectives. With the special arrangement, HKIRA was able to gather over 15,000 online participants from Hong Kong and Mainland China. In addition to our overwhelming support from the participants, HKIRA is particularly honored to have Mr. Christopher Hui, JP, Secretary for Financial Services and the Treasury, HKSAR, as the guest of honor and keynote speaker.

HKIRA has always strived the best in providing privileged benefits to our members. It is of crucial importance that we put our members first. In response to the high demand from our members on the broad understanding of the investor relations market, especially the Hong Kong listing regulations applicable to their daily works, new certificates Training program were launched in April. All of the courses were developed and taught by senior IR practitioners with over 10 years of work experience in listed companies.

With the launch of HKIRA partners, we have received additional supports from the service providers in the IR industry, further enabling us to provide more privileged benefits to our members. A wide range of special promotions/discounts is provided to them, especially on the complimentary trials of various professional IR services.

To further enhance the IR knowledge of our members, HKIRA started in collaboration with NIRI — National Investor Relations Institute to introduce Investor Relations Charter Certification Program to IR practitioners in Hong Kong and Mainland China. After passing the examination and meeting all the necessary requirements by NIRI, participants will receive a certification welcome package from NIRI to confirm their success. We believed that by attaining the certificate, professional competency and status of our members could be recognized in the field of investor relations internationally.

Finally, I would like to take this opportunity to express my heartfelt gratitude to the support and assistance of our collaborating partners including listed companies, IROs, advisors, regulators and sponsors, and the efforts of our Advisory Board Members, Exco Members, Sub-committee Members and IR Panel. 2020 was a challenging year, not only to HKIRA, but also Hong Kong and the globe. With strong cohesion from our supporting parties, we would sail it through.

HKIRA 6TH INVESTOR RELATIONS AWARDS

The HKIRA Investor Relations Awards (“IR Awards”) has come to its sixth consecutive year to recognize and honour excellence in investor relations by the listed companies and IR professionals who have demonstrated best practices that make up the dynamic IR and finance industries in Hong Kong.

The media interview held on 31 January 2020 officially announced the start of the 4-week public nomination period which ended on 2 March 2020. Qualified candidates were then entered into a month of online polling by eligible voters from buy-side and sell-side investors from 9 March to 15 April 2020.

To further honour excellence across a broader range of IR aspects, this year, three new award categories were added for nomination and voting, namely ‘Best ESG (E)’, ‘Best ESG (S)’ and ‘Best ESG (G)’, to recognise collective excellence of listed companies in environmental, social and governance efforts respectively. The ‘Grand ESG Award’ is also a new accolade added this year.

The increasing importance of IR and the growing prominence of the Awards can be seen by the enthusiastic response of the investment community. A total of 168 entries from listed companies was received this year, with 48, 45 and 75 of them categorized into large, mid and small cap respectively based on the market capitalization, as well as 14 of them being IPOs. A total of 43 listed companies were awarded for their outstanding performance in different categories through the vast support of over 670 eligible voters from the investment community.

HKIRA prides ourselves on ensuring a fair and balanced evaluation for the winning results of each IR Awards. Members of the Judging Panel were carefully selected ranging from various perspectives including investors, compliance, financial reporting, academia, and professional associations. These esteemed professionals served with their dedication and effort in making the 6th IR Awards a sound and reputable recognition for the local IR professionals. Even with changes in the number of entrees and award categories each year, the Judging Panel stuck to stringent criteria to make sure that the public polling results matched with the actual evidences to support the crowning of winning companies. Hence, all winners well deserved the glory, and amongst all award categories, winning the honour of the “Overall Best IR Company” was the most prestigious.

6th IR Awards Conference and Presentation Ceremony

Together with the Judging Panel members, HKIRA proudly announced and presented the Awards during the 6th IR Awards Conference and Presentation Ceremony (Online) on 23 September 2020. Over 15,000 guests from listed companies, the IR industry and investment community attended this virtual gathering to share the latest insights and applaud for the best listed companies in Hong Kong.

Conference in the afternoon comprised of professionals from different aspects to share on the hottest and most relevant issues in the IR community. Topics included the Digitalization for corporates and corporate executives in light of COVID, How to Sail Through the Hardship etc. The Conference followed with a further deep dive into the IR role of US-listed Chinese Stocks back to Hong Kong IPOs and the IR Practice post COVID during the Panel Discussions.

Award Ceremony continued in the early evening where awards of 15 different categories were presented to each winner. HKIRA was honoured to have Mr. Christopher C. Y. Hui, JP, Secretary for Financial Services & the Treasury of the Government of the Hong Kong SAR, as the Guest-of-Honour who delivered the keynote speech as well as presented the grand prize — “Overall Best IR Company” Awards for us. The event was full of cheers and applause for the winners of the Awards, as the CEO, CFO and IR teams of the listed companies received their trophies online.

領展 - 香港綠色金融的先行者

領先的房地產信託基金

領展是亞洲領先的房地產信託基金，可持續發展一直是我們集團發展中的重要一環。為了落實有膽力計，領展於2011年訂定了可持續發展框架，為集團內所有部門提供清晰的原則及政策，並建立明確的可持續發展目標及表現指標。對信託來說，我們經營的核心是資產管理、資產組合管理和資本管理，我們致力把「環境、社會及治理」(ESG) 考慮加入其三管齊下範疇。

綠色先行者

領展是香港綠色金融發展的先行者，多年前起我們已經將綠色金融為集團資本管理與資產管理的重要策略。同時，我們也訂立了一個綠色債券框架，公開應明地向投資者解釋及展示我們如何運用由綠色債券所籌集之資金。

於2014年，領展發行了香港企業及亞洲地產企業的首批綠色債券，此債券分別獲悉聯及標準普爾評為「A2」及「A」級別。隨後於2019年，我們更發行了全球房地產行業的首批綠色可轉換債券，屬香港上市企業首創，並獲標準普爾給予「A」評級。

至2020年，領展又獲得了兩宗與集團可持續發展表現掛鉤的貸款。領展只要維持領先全球可持續發展指數的排名，並在「全球房地產可持續標準」(GRESB)的年度獨立評定中，於可持續發展表現和轉中獲優，貸款利率即可重下調。GRESB為環球房地產及基建投資可持續性發展的領先標準。

PROVIDING NEW & PROFESSIONAL KNOWLEDGE

EVENTS

The sudden emergence of Covid-19 has changed the practice of Investor Relations dramatically. The pandemic is affecting different countries and communities at different times and to different extents. As a global profession dependent on building and maintaining relationships and attracting investment from around the world, Investor Relations will have to cope with the impact for some time to come. The IROs of Hong Kong listed companies are facing more challenges under the global turbulent economic environment. To help our members and the IR community adapt to the new rules and regulations, and the new landscape of capital market, HKIRA organized an extensive range of activities in 2020/2021.

During 2020/2021, HKIRA delivered 46 events in total (2019/2020: 41 events), including 15 (2019/2020: 18 events) hosted by HKIRA and 31 (2019/2020: 23 events) through partnering institutions and supported by us. Because of the pandemic, most events were held online covering a variety of topics from IR strategies to Capital Market Outlook, which attracted a total of more than 1,900 (2019/2020: 1,700) IR practitioners, corporates and industry professionals in Hong Kong and PRC attended these events.

For example, the recognition of the impact of ESG strategy and implementation on values that businesses bring in the long term has been growing and propelled by the pandemic. ESG has also never been more topical for Hong Kong listed companies than ever, following the HKEx's recent introduction of the new ESG disclosure requirement from 1 July 2020. To provide updated knowledge to the accounting and finance professionals, HKIRA organized a "Developments in Green and Sustainable Financing Webinar" on 9 November 2020. This webinar focused on recent developments and trends in the sustainable finance market and opportunities available for debt issuers in Hong Kong and the region.

The Investor Relations Annual Symposium was organized virtually on 8 January 2021 at HKEX, with the theme of "Investor Engagement: To Infinity and Beyond". This half-day live-streaming event brought together hundreds of guests from the local and overseas IR industry, investment community, as well as C-levels and senior management representatives of listed companies, and other finance market elites. IR specialists and local experts gathered to exchange insights and stimulate lively discussions on the latest and most relevant topics in the industry, aiming to provide advance IR knowledge and skills, inspire C-levels and IROs for their professional challenges, and promote sustainable development of the IR industry as an indispensable part of the financial services in Hong Kong.

Fellows Recognition Program

The Fellows Recognition Program was launched in 2015 to recognize distinguished HKIRA senior members with epitomized expertise, experience, and contributions to HKIRA and the investor relations industry in Hong Kong. These fellow individuals have made various contributions to the betterment of the profession and HKIRA throughout their careers. As of now, we have 26 (2019/20: 19) active Fellow members which proactively advocate the best practice of investor relations standards in the industry and become the key voices of promoting IR industry and mentoring junior IR members.

To leverage on our social and networking events for fellowship development of HKIRA members, Fellow members are invited to certain luncheons and seminars free of charge, and to meet with other Fellow members. We aim to promote IR leadership and to develop networking and connections, and encourage sharing of experience and insights with IR peers.

For more details on the Fellows Recognition Program and the application process, please refer to the following link: <http://hkira.com/fellows>.

Buddies Program

The Buddies Program was launched in 2020. It offers a unique membership benefit to match participating HKIRA members (“Buddies”) with senior IR officers (“Buddies Leaders”) to provide an invaluable opportunity for the Buddies to become more acquainted with other HKIRA members through HKIRA events, and broaden horizons and mindsets in the field of IR via advocacy by the HKIRA Buddies Leaders. In 2020/2021, the program recruited 19 Buddies and 11 Buddies Leaders. Social events via online platform were arranged in order to facilitate networking and communications between Buddies and Buddies Leaders under social distancing policy.

Leveraging on the Buddies Program, Buddies can learn from IR fellows with extensive experience in IR best practice, whereas Buddies Leaders can reach out fresh and energetic IR practitioners for ideas and insights from young generations. By creating lasting friendships with like-minded IR professionals, both Buddies and Buddies Leaders will expand the network and connections in the IR community, and build new skills that you might not have otherwise learned before.

EDUCATION

The most successful or competitive professionals are always those committed to continuous learning. With such firm belief, HKIRA has always been encouraging our members to embrace lifelong learning by offering programs at different professional levels to cater for the various demands of IR specialists.

During this year, HKIRA is in collaboration with NIRI (National Investor Relations Institute) to introduce Investor Relations Charter (IRC®) Certification Program to IR practitioners in Hong Kong and Mainland China. IRC not only establishes a framework for what defines the profession of investor relations, it likewise provides IR professionals with the opportunity to demonstrate their core IR knowledge and skills, their expertise, and their commitment to answering to the highest standards within the profession. Successful Candidates who pass the examination and meet all the necessary requirements by NIRI, will receive a certification welcome package from NIRI to confirm their success. They then are authorized and encouraged to use the IRC designation to denote certification on business cards, letterheads, at signature, etc.

Since 2013, we have been collaborating with the School of Professional and Continuing Education of the University of Hong Kong ("HKU SPACE") to provide a training program for the "Executive Certificate in Investor Relations" ("ECIR"). So far, more than 250 professionals have attended this tailor-made taught-training program. The program covers a range of practical tools, application and research to provide

a solid foundation for IR, with topics such as capital markets, corporate governance, ethics, regulations, corporate finance, communications and IR practices. Not only are the students given the opportunity to network with like-minded fellow classmates, but also with senior professionals in the industry, as they are invited to share their expertise and practical experience in the program as well.

We have also been partnering with the UK Investor Relations Society since 2012 to provide the Certificate in Investor Relations ("CIR") Program, which is an internationally-recognized qualification in IR for those who are interested in pursuing a career in the IR profession. Regarded as an essential prerequisite and a valuable benchmark, the program rewards students with enhanced professional competence, career development and industry recognition by imparting them knowledge in regulatory compliance, financial and capital markets. Now in its 8th year, 135 candidates in total have passed the program examination so far and been awarded the Certificate in Investor Relations through HKIRA.

With our commitment to supporting IR executives to excel through various career stages, HKIRA will continue to offer a wide range of formal IR education, training programs and seminars to help them meet their ongoing professional development needs, at the same time, we will keep on actively pursuing cooperation opportunities with professional and academic institutions for the betterment of our members and those interested in starting a career in the IR profession.

MARKETING AND PROMOTION

In 2020/2021, HKIRA continued to devote great efforts to promotion and marketing. During the reporting year, we had maintained our publicity by co-hosting webinars with renowned organizations, such as The Stock Exchange of Hong Kong Limited, The Hong Kong Polytechnic University, Hong Kong Cyberport Management Company Limited, Friends of the Earth (HK) on featured topics. We have also moderated sessions with Atlantis Investment Management, Equity First, CtrlPrint UK Ltd for topics that are relevant to our members.

HKIRA remains committed of going digital to facilitate our promotion and marketing. All of our webinars in 2020/2021 were announced on popular social media platforms, including Facebook, LinkedIn, and WeChat, in addition to publishing updates on our website and email circulation of e-newsletters. These online media allowed HKIRA to closely connect with financial community and IR practitioners of other regions.

Further to our Publication of Investor Relations Practice Post COVID-19 in August 2020, we held a sharing session in November 2020 with the financial media to highlight the key points of the guide. We aim to assist Investor Relations Officers and market practitioners to uphold the best practices of continuous communication to investors and other stakeholders amid COVID-19 disruptions.

In the coming year, HKIRA will continue to promote the IR profession by expanding our geographic coverage and by continuing to deploy various communication channels. We aim to collaborating with more industry participants and professional associations to jointly promote the IR standards and to practice good ESG.

投資者關係協會：疫情下投資者活動趨線上轉型 不設食物款待 股東未見鼓譟
2020-11-09 | 香港經濟日報 | 財經 |

香港投資者關係協會創會會長陳綺華表示，受新冠肺炎疫情影響，今年傳統實體投資者關係活動如投資者會議、分析師簡介會難以如常舉行，考驗一眾投資者關係管理人員的應變能力。香港投資者關係協會近月發布《疫情期間投資者關係實踐報告》，討論疫情下應如何透過線上活動保持與投資者聯繫，例如舉辦網上會議、每天全天候 24 小時做好功夫，預備即時回答海外投資者的問題。

投資者關係協會委員會方蘊蕎表示，今年旗下公司股東大會僅有個位數字股東出席，反映股東與投資者仍以衛生考量為主。另一名委員會成員趙志方亦指，雖然股東大會無法提供食物款待股東，但股東反應未見鼓譟。據了解，在疫情前，不少活動已向酒店繳付訂金，目前有部分酒店容許把訂金延後半年，期望最快下年可舉行現場發布會。

至於線上活動會否全面取代實體投資者活動，方蘊蕎指，線上活動核實身份程序繁複，許多公司比較偏向混合線上與線下兩種形式舉辦活動。

趙志方亦表示，線上活動帶來新機遇，牽涉成本較低，預料未來將有一部分投資者活動趨向線上轉型。不過他表示，疫情平穩後，線上投資者活動仍無法完全取代實體活動。
