**Hong Kong Investor Relations Association Limited
Announces the Winners of its 1st IR Awards**

**An Exceptional Who's Who List of IR Professionals and
Hong Kong Listed Companies are Honored**

Hong Kong (May 7, 2015) – Hong Kong Investor Relations Association (HKIRA) today announced the winners of its inaugural HKIRA 1st Investor Relations Awards (the “Awards”). Guests from listed companies and the IR profession were present at today’s IR Awards Conference and the Awards Presentation Ceremony to celebrate the winners’ IR excellence and their dedication to IR best practice. HKIRA was honored to have Mr. Romnesh Lamba, Co-Head of Global Markets, Hong Kong Exchanges and Clearing Limited as the keynote speaker for the Award Presentation Ceremony.

In the HKIRA 1st IR Awards, more than 480 nominations in the various award categories have been received for about 190 Hong Kong listed companies. Over 100 listed companies confirmed participation, including 32 Large Cap, 36 Mid Cap, 34 Small Cap and 6 IPOs (2 of the IPO companies are also nominated in Small Cap award categories). Winners are based on voting from domestic and overseas investment community. More than 340 eligible voters have casted an aggregate of approximately 4,200 votes for their best choices of IR professionals and companies.

Dr. Eva Chan, Founding Chairman of HKIRA said, “We would like to express our sincere gratitude to all those who have participated in the HKIRA 1st Investor Relations Awards, including the nominators, nominees, voters, panel judges, sponsors and supporting organizations. Their contribution is essential in making the inaugural launch of the Awards a great success. Following public nominations in early 2015, and the subsequent online survey, we are proud to announce all of the winners of the HKIRA 1st IR Awards. The poll results are truly a vote of confidence from the investment community for the IR excellence the winners have achieved. We are particularly pleased to announce that ‘The Link Real Estate Investment Trust’ and ‘Sa Sa International Holdings Limited’ have been selected by the Judging Panel as the recipients of the Overall Best IR Company Awards in the Large Cap and Mid Cap categories respectively. The Judging Panel concurred to withhold the Overall Best IR Company Award for Small Cap and looked forward to ongoing efforts in the adoption of IR best practices by Small Cap companies and the listed companies in Hong Kong as a whole.”

Best IR practice enables listed companies to maintain high standards of corporate governance through timely and transparent communications with their stakeholders.

She added, “IR industry is a young profession given that it has just emerged in Hong Kong in the recent decade. We are dedicated in raising the awareness of the importance of IR best practices in Hong Kong and to promoting the professional development of the IR industry through this Awards. We value the contribution by IR practitioners that enable higher transparency in investment community and enhance communications between companies and shareholders. Ultimately, these are essential in contributing to a more competitive and vibrant Hong Kong stock market.”
