Announces the Winners of its 2nd IR Awards 2016**

Hong Kong (May 26, 2016) – Hong Kong Investor Relations Association (HKIRA) yesterday announced the winners of the HKIRA 2nd Investor Relations Awards 2016 (the “Awards”). Guests from over 100 listed companies and the IR profession were present at yesterday’s IR Awards Conference and the Awards Presentation Ceremony to celebrate the winners’ IR excellence and their dedication to IR best practice. HKIRA was honored to have Mr. Charles Li, Chief Executive of Hong Kong Exchanges and Clearing Limited as the keynote speaker for the Award Presentation Ceremony.

This year, more than 780 nominations in the various award categories have been received. Out of approximately 300 Hong Kong listed companies nominated, about 160 listed companies confirmed participation. Award winners were selected based on online voting from both the buy-side and sell-side analysts. More than 660 eligible voters have casted an aggregate of over 7,000 votes for their best choices of IR professionals and companies. 43 listed companies received awards from different categories.

Dr. Eva Chan, Founding Chairman of HKIRA said, “Following last year’s success, we are committed to organizing an award selection mechanism which is open and transparent to ascertain a fair evaluation of the nominees. The poll results are truly a vote of confidence from the investment community for the IR excellence the winners have achieved. HKIRA is dedicated to raising the awareness of the importance of IR best practices in Hong Kong and to promoting the professional development of the IR industry. Contribution by IR practitioners are increasingly crucial as it enables higher transparency in the investment community and enhances communications between companies and shareholders, in turn helping Hong Kong to stay competitive and continue being a key financial center in the world.”
