

HKIB Annual Banking Conference 2013

9th September 2013

Hong Kong Convention and Exhibition Centre

"Finding the New Winning Formula"

Since its launch in 2009, the HKIB Annual Banking Conference has quickly become one of the most important banking events in Hong Kong. Held under the timely theme **"Finding the New Winning Formula"**, the conference will discuss the needs for the banking industry to evolve and reinvent itself in order to stay ahead when there is still a cloud of uncertainty hanging over global economy.

In the format of presentations and lively discussions between over 30 banking executives, the conference aims to provide a platform for the industry to flesh out new ideas and corresponding action plans to strengthen Hong Kong's status as an international financial hub and China's global financial centre connecting China with the world.

Please mark this date on your calendar and further information about this conference will be announced shortly.

Opening Keynote Speaker:
